**We will organize the excursions with you in advance of your trip.**  
There are no limits; we offer everything that is possible on the island.

Here is a small selection of classic excursions:

## **PALMA OLD TOWN STROLL**

Discover the uniqueness of Mallorcan culture in the small, narrow streets of Palma.

Visit the ancient monastery with its gardens and the Church of San Francisco.

You can extend your stroll with a shopping tour through the shopping streets.

## **INCA WEEKLY MARKET AND WINE TASTING IN BINISSALEM**

Visit one of the island's most famous weekly markets in Inca.

Afterwards, discover one of the best bodegas and sample various high-quality Mallorcan wines.

A top-class excursion.

## DRAGON'S CAVE

Probably the most spectacular cave on the island, in our opinion.

Descend into the underworld of Mallorca and be enchanted by these impressive natural formations.

## BELLVER CASTLE AND PALMA CATHEDRAL

Arguably the two most important landmarks in Palma.

Visit Bellver Castle above the hills of Palma and then the city's cathedral.

## VALLEDEMOSSA AND MOUNTAIN TRIP

Where Chopin and George Sand once spent their time. This charming mountain village in Mallorca is worth a visit.

Stroll through the charming streets and be enchanted.

Or would you **prefer a somewhat unusual excursion** for the whole group?

Here are a few examples... talk to us.

## BALLOON RIDE

Ascend – in complete silence, carried by the wind and accompanied by the first light of day. A hot air balloon ride over Mallorca is one of the most impressive experiences on the island.

And then share your experiences with the group over dinner.

## KAYAK TOUR

For a group of explorers, we offer extraordinary kayak tours along pristine stretches of coastline – far from the hustle and bustle, yet close to the essence of the island.

Glide silently over the emerald-green waters, discover hidden grottos, and enjoy the island's magic.

## SAILING

Discover Mallorca's coastline in a very special way: with a private sailing trip.

Enjoy turquoise waters, hidden coves, and spectacular views together.

You might even spot dolphins.
